

Johannes Gutenberg University Mainz (JGU) is one of the largest universities in Germany. Thanks to its location in the Rhine-Main science region, the university can unfold to its full potential and showcase its innovative power and dynamism. Its status as a comprehensive university allows for multidisciplinary learning and teaching and has great potential for internationally renowned, interdisciplinary research. Almost all of its institutes are located on a single campus close to the Mainz city center – creating a lively academic culture for researchers, teaching staff, and students from every continent.

**Faculty 08: Physics, Mathematics, Computer Science of Johannes Gutenberg University Mainz**

## Academic staff member

full-time (100%)

In the group “History of Mathematics and the Natural Sciences” at the Institute of Mathematics of the Johannes Gutenberg University Mainz the position of an academic staff member is to be filled at the earliest possible moment.

### Your tasks:

- Independent research and cooperation in research projects and publications in the history of mathematics and the natural sciences
- Participation in teaching

### Your profile:

In addition to the general requirements according to public services law, applicants must meet the recruitment requirements stipulated in § 57 of the *Hochschulgesetz* of Rhineland-Palatinate.

- A successfully completed scientific university degree in mathematics, physics, history of mathematical science or a related field
- A doctorate in a field relevant to the position
- A research project in the history of mathematics and the natural sciences
- Basic proficiency in German

### What we have to offer:

- A challenging, varied and self-responsible academic activity in a stimulating and interdisciplinary working environment
- Responsible collaboration and in-depth experience in research, teaching and committee work
- Active support in the acquisition of third-party funding projects and in one's own further scientific qualification
- Jobticket, optional for the entire Rhine-Main area
- Extensive human resources development offer
- Flexible working time arrangements

The position is paid according to **EG 13 TV-L** and to be filled at the earliest possible moment. The position is limited to a period of three years.

The position serves the purpose of academic qualification (habilitation).

JGU is diverse and welcomes qualified applications from people with varied backgrounds.

We aim to increase the number of women in the field of research and teaching and therefore encourage female researchers to apply.

Candidates with severe disabilities and appropriate qualifications will be given priority.

Please send your complete application as one pdf file (stating the **02823-08-wiss-nk**) by **July 31<sup>st</sup>, 2023**, at the latest to:
